**ALL FAITHS
WELCOME!**

Where a lifelong passion for learning begins!

Our Mission

To provide every child with a safe and nurturing environment that facilitates a love of learning as well as a love for God, others, and self.

IMMAC welcomes students of all backgrounds and faiths to experience the comprehensive education of mind, body, and spirit. Students from Kindergarten through 8th Grade are challenged by our dedicated teachers in academics, athletics, and service to others.

Academic Excellence

We offer an engaging and challenging academic program for students from toddlers to teens. We utilize the SRA Leveled Reading Program and the i-Ready assessment and instruction program so that students may take ownership of their progress. Our 8th Grade students are vigorously prepared for the TACHS Exam and are consistently accepted to top high schools of their choice.

"Immac has prepared me for high school by helping me to become confident about the choices I make. My teachers have worked with me to make sure I am ready for the next chapter of my academic life."

- Nicole Sweeney, IMMAC Class of 2021

Fine Arts Enrichment Program

In partnership with St. John's Preparatory High School educators, we offer students free extracurricular activities including:

- Performing Arts
- Italian Language
- Robotics
- Dance
- Photography

Our students using our STEM Lab

Academic Philosophy - STEAM

We employ a "STEAM" educational philosophy – integrating Science, Technology, Engineering, the Arts and Mathematics into the regular and after school curriculum.

Our STEAM philosophy includes:

- Small class size to promote individualized learning – 15:1 student/teacher ratio.
- Progressive curriculum focused on reading, writing and mathematics.
- Advanced courses in math and science offered via McClancy H.S.
- State of the art, climate-controlled, fully equipped STEM Laboratory.
- Use of Smartboards, Chromebooks, & Google Classroom integrated into the curriculum to help focus on technology in learning.

Tuition and Financial Aid

- Special tuition rates for Kindergarten and 1st Grade!
- Scholarships and Financial Aid are available for qualified families!
