

January 2018 Newsletter- All about Transportation

Dear Families,

Happy New Year! We hope you enjoyed spending time with your children and loved ones during the break. We missed them and are glad they are back!

This month, we will be exploring various modes of transportation for air, land, and water. Children are naturally fascinated by the vehicles and machinery that we use to get around. Some of the different types of vehicles that we will be studying include airplanes, boats, cars, trains, our very own two feet, etc. Try to have discussions about the various ways that your family uses transportation every day.

Our January Project asks you and your child to document a trip using a form of transportation of your choice. There are so many possibilities around us to choose from! Some include the Long Island Rail Road, the subway, Metro North, PATH train, Amtrak, Air Train, Astoria Ferry, Staten Island Ferry, Roosevelt Island tram and New Jersey transit. Please refer to the attached letter for further details. Please have your child bring in their project by Wednesday, January 24th so that your child has plenty of time share their experience with their classmates.

REMINDERS:

- **Friday, January 5th**- Early Dismissal (11:10am) for a faculty meeting. After School is available. If your child will be attending after school, please remember to send them in with a snack and beverage, as lunch is not served on half-days.
- **Monday, January 8th** - No School for Pre-K (Teacher Professional Development)
- **Monday, January 15th** - No School for Martin Luther King Day
- **Tuesday, January 16th** - Early bird registration for the 2018-2019 school year begins for Immaculate Conception Catholic Academy. Contact the office for more details.

We look forward to a fun and exciting month! Thank you for your continued support and cooperation!
